This end-to-end control ensures technical excellence and a distinctive identity, expressing a way of living where precision meets human craftsmanship. At the intersection of culture, craftsmanship, and industry, we pursue solutions designed to stand the test of time. Carefully selected materials, thoughtful product engineering, refined processes, and a distinctive perspective that follows the evolution of living in Brazil and across more than twenty countries.

Across these pages, you'll discover our complete portfolio of sofas, armchairs, tables, and complementary pieces, all crafted for lasting comfort and longevity.

Welcome to Feeling: where innovation, precision, and sensitivity guide every detail toward its purest expression.

En Feeling, cada pieza surge de una cuidada elección de forma, proporción y confort. Todo el proceso se desarrolla internamente - del diseño a la espuma, del corte al acabado - bajo la dirección creativa de Mauricio Bomfim. Este control integral garantiza la excelencia técnica y una identidad propia, dando forma a una manera de habitar en la que la precisión se encuentra con el talento humano.

Entre cultura, artesanía e industria, buscamos soluciones que perduran en el tiempo. Materiales seleccionados, ingeniería de producto, procesos refinados y una visión autoral que refleja la evolución del habitar en Brasil y en más de veinte países.

A lo largo de estas páginas, encontrarás nuestro portafolio completo: sofás, sillones, mesas y complementos diseñados para brindar durabilidad y confort con el paso del tiempo.

Bienvenidos a Feeling: donde la innovación, el rigor y la sensibilidad dan forma a cada detalle hasta alcanzar su máxima expresión.

Every form is born from
matter, yet it is light that
brings it into presence

*Toda forma nace de la
materia, pero es la luz la
que le otorga presencia*

Light and Matter are the two pillars that shape this collection. Light reveals. It highlights contours, defines volumes, and creates atmospheres.

In architecture and furniture projects, light transforms what exists into something to be perceived. Matter gives form. It is the starting point of design - the element defined by weight, density, and texture - capable of being shaped, cut, and brought into form.

In this collection, we explore the dialogue between these two forces. Light moves across matter, revealing design.

Matter absorbs light and responds with shape. Each piece emerges from this direct encounter between the visible and the tangible.

The inspiration is not hidden. It resides on the surface, in the lines and contours.

The object reveals its origin with clarity.

Light and Matter, together, sustain the logic of each piece - from line to presence in space.

La Luz y la Materia son los dos pilares que estructuran esta colección. La luz revela. Es la que resalta los contornos, define los volúmenes y crea atmósferas.

En la arquitectura y el mobiliario, la luz transforma lo que ya existe en algo que puede percibirse. La materia da forma. Es el punto de partida del diseño: aquello que tiene peso, densidad y textura, lo que puede ser moldeado, cortado y construido.

En esta colección, exploramos el diálogo entre estas dos fuerzas. La luz recorre la materia y revela el diseño.

La materia absorbe la luz y responde con forma. Cada pieza nace de este encuentro directo entre lo visible y lo tangible.

La inspiración no está oculta. Reside en la superficie, en las líneas y los contornos.

El objeto revela con claridad su origen.

Luz y materia, juntas, sustentan la lógica de cada pieza, desde el trazo hasta su presencia en el espacio.

SOFAS
SOFÁS

The Lombada Sofa is defined by a continuous elevation across the seat and backrest, giving shape to its silhouette.

El sofá Lombada se define por una elevación continua que recorre el asiento y el respaldo, dando forma a su silueta.

The central curve defines a dynamic, functional design, separating the upholstery into two modules and emphasizing the recessed area between them. It is a sofa that defines, guides, and brings rhythm to space, enhancing expansive interiors and modular configurations.

La curva central crea un diseño dinámico y funcional, que organiza el tapizado en dos módulos y resalta el rebaje entre ellos. Es un sofá que define, orienta y aporta ritmo al entorno, potenciando ambientes amplios y layouts modulares.

The Orla Sofa features a sculptural design defined by continuous, flowing curves and soft edges, evoking a strong sense of movement. Its rounded base supports generously proportioned seating, while the low backrest enhances its organic, welcoming character.

The sofa modules flow together like a horizon line, creating fluid compositions that seamlessly respond to the architecture around them.

Los módulos se articulan como una línea de horizonte, permitiendo composiciones fluidas que acompañan la arquitectura del espacio.

El Sofá Orla presenta un diseño escultórico de curvas continuas y bordes suaves, que evocan una marcada sensación de movimiento. La base redondeada sostiene asientos generosos, mientras que el respaldo bajo refuerza su carácter orgánico y acogedor.

The design of the Asta Sofa is based on bold, well-defined volumes with rounded corners, a low base, and a design that emphasizes continuous visual flow. The modules create a piece with a perfect balance of curves and proportions.

El diseño del Sofá Asta parte de volúmenes amplios y bien definidos, con esquinas redondeadas, base baja y una construcción que prioriza la continuidad visual. Los módulos configuran una pieza en perfecto equilibrio entre curvas y proporciones.

The integrated armrests and generous seats emphasize the sofa's substantial upholstered form, while the loose backrest cushions introduce a lighter, more relaxed feel to the composition. Asta's design emphasizes the strength of its form, making the upholstery a defining element of the surrounding architecture.

Los brazos integrados y el asiento generoso refuerzan la sensación de un volumen tapizado, mientras que los cojines de respaldo sueltos aportan una lectura más ligera y comfortable al conjunto. En Asta, el diseño pone en valor la fuerza de la forma y la presencia del tapizado como elemento central de la arquitectura del espacio.

Inspired by tree trunks, the Tronco Sofa expresses the concept of a living mass through continuous volumes, softened edges, and embracing proportions. The lines are precise, like a cut revealing the growth rings of wood; the design unveils a layered structure with quiet restraint, allowing the material to speak for itself.

The Tronco Sofa explores the seat in dialogue with the subtly recessed backrest, shaping organic volumes into a continuous flow. Generous padding, upholstered in fabrics from our curated selection or, upon request, in leather, provides exceptional comfort while inviting long, lingering conversations.

El Sofá Tronco trabaja el asiento en diálogo con el ligero retroceso del respaldo, desplazando volúmenes orgánicos en una lectura continua. El generoso acolchado, tapizado en telas cuidadosamente seleccionadas de nuestra colección o, bajo consulta, en cuero, ofrece un confort excepcional e invita a largas y relajadas conversaciones.

Inspirado en los troncos de los árboles, el Sofá Tronco parte de la idea de masa viva: volúmenes continuos, bordes suaves y proporciones que abrazan. Las líneas son precisas, como un corte que revela anillos de crecimiento; el diseño evidencia capas sin excesos, dejando que la materia hable por sí misma.

The Jubá Sofa celebrates the majesty of humpback whales ("Jubarte" in Portuguese), translating the essence of the sea into an authentic, contemporary design. Its fluid lines and subtle creases echo the distinctive textures of the whale's belly, capturing the ocean's organic beauty and grandeur in a singular, sculptural piece.

El Sofá Jubá celebra la majestuosidad de las ballenas jorobadas ("Jubarte" en portugués), traduciendo la esencia del mar en un diseño auténtico y contemporáneo. Sus líneas fluidas y sutiles pliegues evocan los detalles distintivos del vientre de la ballena, capturando la belleza orgánica y la grandeza del océano en una pieza única.

Each curve was designed to evoke the depth and movement of water, creating an intimate connection between the living space and the marine environment.

Part of the "Sea" category within the Atmosfera collection, the Jubá Sofa expresses a harmonious fusion of art and nature. It is more than a piece of furniture; it is a sensorial experience that invites contemplation and immersion in a universe where contemporary design draws inspiration from natural elements.

Cada curva ha sido concebida para evocar la profundidad y el movimiento del agua, creando una conexión íntima entre el espacio habitado y el entorno marino. Integrado en la categoría "Mar" de la colección Atmosfera, el Sofá Jubá representa la fusión armoniosa entre el arte y la naturaleza. Es más que un mueble; es una experiencia sensorial que invita a la contemplación y a la inmersión en un universo donde el diseño contemporáneo encuentra inspiración en los elementos naturales.

The sinuous curves of racing circuits shape the Senna Sofa, a piece conceived as a tribute to Ayrton Senna, an enduring icon of Brazilian and global motorsport.

Las curvas sinuosas de los circuitos de carrera dan vida al Sofá Senna, una pieza que rinde homenaje a Ayrton Senna, ícono eterno del automovilismo brasileño y mundial.

Every line of its design captures a sense of movement and precision, reflecting the effortless fluidity with which the driver moved across the tracks. More than a sofa, it stands as a tribute: to the harmony between performance and elegance, power and lightness. The Senna Sofa is created to define spaces just as symbols shape memory—through presence, emotion, and lasting impact.

Cada línea de su diseño transmite movimiento y precisión, reflejando la fluidez con la que el piloto dominaba las pistas. Más que un sofá, es un tributo: a la armonía entre rendimiento y elegancia, potencia y ligereza. El Sofá Senna nace para habitar los espacios como los símbolos habitan la memoria — con presencia impactante, emoción y legado.

Senna

The Buriti palm, a symbol of Brazil's waterways, inspires a sofa that expresses a balance between strength and softness. Its lines reflect the organic form of the trunk and fan-shaped leaves. Its solid structure supports generous, comfort-driven forms, while its finishes reveal textures inspired by the traditional handwoven craft of buriti.

More than a place to sit, the Buriti Sofa is a celebration of the Brazilian landscape: solidity rooted in nature and fluidity unfolding through every curve. An invitation to rest, to contemplate, and to bring together original design and nature.

Más que un asiento, el Sofá Buriti es una celebración del paisaje brasileño: solidez que nace de la raíz, fluidez que se expande en cada curva. Una invitación al descanso, a la contemplación y al encuentro entre diseño de autor y naturaleza.

La palma Buriti, símbolo de las aguas brasileñas, inspira un sofá que expresa el equilibrio entre resistencia y suavidad. Sus líneas evocan el diseño orgánico del tronco y de las hojas en forma de abanico. La estructura firme sostiene formas generosas pensadas para el confort, mientras que los acabados revelan texturas que recuerdan el trenzado artesanal tradicional del buriti.

Memory is a sofa with generous proportions, an inviting design, and generous comfort. Its retractable system enhances the experience, allowing the sofa to adapt to different moments at home: receiving guests, relaxing, watching a movie, or simply lingering longer in the living space.

Its name stems from the idea that a home is also shaped by the experiences lived within it. A sofa designed to settle naturally into the space, becoming part of the stories, gatherings, and memories that unfold over time.

Su nombre parte de la idea de que el hogar también se construye a partir de lo que se vive en él. Un sofá pensado para integrarse de forma natural en el espacio y acompañar historias, encuentros y recuerdos a lo largo del tiempo.

Memory es un sofá de proporciones generosas, diseño acogedor y gran confort. Su sistema retráctil amplía la experiencia de uso, permitiendo que el sofá se adapte a distintos momentos en el hogar: recibir invitados, descansar, ver una película o simplemente disfrutar más tiempo del salón.

Sensation is a sofa that expresses the art of feeling. Its continuous curves and balanced proportions create a generous piece, designed to embrace without excess. The minimalist design unfolds into a fluid surface, where each module connects naturally, as if movement were inherent to its very form.

The lightness of the elevated base contrasts with the density of the volumes, giving the impression that the sofa floats in space. Meanwhile, the supports and backrests offer complete rest, in a precise balance between softness and structure.

La ligereza de la base elevada contrasta con la densidad de los volúmenes, dando la impresión de que el sofá flota en el espacio. Los apoyos y respaldos invitan al descanso pleno, en una combinación precisa entre suavidad y soporte.

Sensation es un sofá que traduce el arte de sentir. Sus curvas continuas y proporciones equilibradas crean una pieza generosa, diseñada para acoger sin excesos. El diseño minimalista se abre en una superficie fluida, donde cada módulo se conecta con naturalidad, como si el movimiento fuera parte de su propia forma.

Fragmento is born from the idea that each part can stand on its own, yet gains strength through its connection to the whole. Its organic design, defined by curved, fluid lines, evokes stones shaped by time, fragments that come together in perfect harmony to form a sculptural piece.

Fragmento surge de la idea de que cada parte puede ser completa en sí misma, pero adquiere fuerza en su encuentro con el todo. Su diseño orgánico, de líneas curvas y fluidas, remite a rocas esculpidas por el tiempo, fragmentos que se unen en armonía para componer una pieza escultórica.

The continuous backrest gently embraces the body, while the seat and pouffe function as natural extensions, inviting flexible spatial setups. The absence of excess emphasizes the purity of form — a sofa that is at once an object of contemplation and comfort. Fragmento is the expression of Brazilian original design: a meeting point between art and comfort, where fragments come together to create a unique landscape within the space.

El respaldo continuo envuelve el cuerpo con suavidad, mientras el asiento y el puff dialogan como extensiones naturales, invitando a nuevas configuraciones en el espacio. La ausencia de excesos valora el gesto puro de la forma — un sofá que es simultáneamente objeto de contemplación y de acogida.

Fragmento es la traducción del diseño original brasileño: un encuentro entre arte y confort, donde los fragmentos, al unirse, crean un paisaje único en el espacio.

In the great rock formations of Capitólio,
recessed straight lines stand out in a play of
interlocking elements and varying heights.

En los grandes paredones rocosos de Capitólio se destacan líneas rectas
retranqueadas, en un juego de encajes y distintas alturas.

These formations create a unique landscape
that, like the Capitólio Sofa, is defined by
linear forms and backrests whose surface
features a subtly irregular recessed detail.

Son formaciones que componen un paisaje
único que, al igual que el Sofá Capitólio,
se caracteriza por sus formas lineales y
respaldos cuya superficie presenta una leve
reentrancia irregular.

The Unai Sofa embodies a balance between comfort and visual lightness. Its generous proportions, loose cushions, and rounded arms create an immediate sense of comfort, while the exposed base subtly supports the volume, lending the piece a contemporary and elegant aesthetic.

A piece that combines a strong presence with subtle refinement, naturally becoming the focal point of the space with effortless elegance and sophistication.

Una pieza que combina una presencia marcada con sutileza, convirtiéndose con naturalidad en el punto focal del espacio, con elegancia y sofisticación.

El Sofá Unai expresa un equilibrio entre confort y ligereza visual. Sus proporciones generosas, cojines sueltos y brazos redondeados crean una sensación inmediata de acogida, mientras que la base expuesta sostiene el volumen con delicadeza, aportando al conjunto una estética contemporánea y elegante.

On one side, an orthogonal base and backrest; on the other, a sinuous and striking counterpoint, inspired by the hulls of canoes resting on calm waters.

Por un lado, una base y un respaldo ortogonales; por el otro, un contrapunto sinuoso y marcante, inspirado en las bases de canoas reposando sobre aguas tranquilas.

Its sides become defining elements of the design, while reinforcing the presence of the seat and backrest. A salute to the freedom of form. With a retractable seat and backrest, the sofa features automated controls that transform sitting into an experience and an invitation to embrace the sense of tranquility observed by the designer.

Sus laterales se convierten en elementos configuradores del diseño, al mismo tiempo que enfatizan el asiento y el respaldo. Un saludo a la libertad de las formas. Con asiento y respaldo retráctiles, el sofá incorpora tecnología de automatización para estos movimientos, haciendo de sentarse una experiencia y un anhelo por acercarnos a la tranquilidad que inspira al diseñador.

Inspired by the Ruins of Entre Rios, the design features seats and armrests with asymmetrical proportions, creating a composition of interlocking elements and modularity that reflects the organic intelligence of nature itself.

Inspirado en las Ruinas de Entre Ríos, el diseño tiene asientos y brazos con proporciones asimétricas, creando un juego de encajes y modulaciones digno de la propia madre naturaleza.

Its comfort is found in the seat and backrest, crafted with custom-made foams that gently adapt to the body.

The Borá Sofa reveals a distinctive sense of spatial richness through its proportions and fluid, sculptural curves.

Su confort está en el asiento y el respaldo, rellenos con espumas personalizadas especiales que se adaptan al cuerpo. El Sofá Borá revela una riqueza espacial singular por sus proporciones y líneas curvas.

The Block Sofa emerges from the concept of transforming modular elements into livable architecture.

El Sofá Block nace de la idea de transformar módulos en una arquitectura habitable.

Its pure geometric forms evoke construction blocks that come together in versatile compositions, shaping distinct spatial landscapes within the environment. Each module is designed as an independent unit, yet gains strength when combined, allowing versatile arrangements — from casual gatherings to extended moments of relaxation.

With minimalist lines and sculptural volumes, Block embodies a contemporary aesthetic that adapts effortlessly to both expansive interiors and projects that demand flexibility. A sofa that goes beyond its conventional function, becoming a platform for connection, a setting for meaningful conversations, and a natural centerpiece for gathering.

Sus formas puras y geométricas remiten a bloques de construcción, que se unen en composiciones variadas para crear diferentes paisajes dentro del ambiente. Cada módulo ha sido concebido como una unidad independiente, pero cobra aún más fuerza en conjunto, permitiendo composiciones versátiles que van desde encuentros informales hasta prolongados momentos de descanso.

Con líneas minimalistas y una volumetría sólida, el Block propone una estética contemporánea, casi escultórica, que se adapta tanto a espacios amplios como a proyectos que requieren flexibilidad. Un sofá que trasciende su función tradicional, convirtiéndose en una plataforma de convivencia, escenario de conversaciones y un auténtico punto de encuentro.

Mimoso is born from the fusion of memory and form. Inspired by the playful shape of a teddy bear, it translates the tenderness of its creator's cherished memories into design.

Mimoso nace del encuentro entre memoria y forma. Inspirado en el diseño lúdico de un oso de peluche, traduce en diseño la ternura de los recuerdos afectivos de su creador.

Despite its emotional inspiration, the design is timeless: simple, elegant, and versatile, capable of transcending generations without losing its essence.

A pesar de su inspiración emocional, el diseño es atemporal: simple, elegante y versátil, capaz de atravesar generaciones sin perder su esencia.

Armchair 47.2" - 1seat(22.8") + 2arm(12.2")

The Zípe Armchair draws inspiration from an unexpected gesture: the act of fastening a zipper. Its arms reinterpret this iconic everyday detail, translating it into a bold, graphic, and stylish design element.

With organic lines and balanced proportions, Zípe combines comfort with a playful touch. It is a piece full of personality: simple at first glance, yet striking in its details.

Con líneas orgánicas y proporciones equilibradas, Zípe combina confort e irreverencia. Es una pieza con identidad propia: simple a primera vista, pero impactante en los detalles.

El Sillón Zípe nace de una inspiración inesperada: el gesto de subir un cierre. Sus brazos reinterpretan este icónico detalle cotidiano, transformándolo en un elemento de diseño gráfico, audaz y lleno de estilo.

Tom Jobim, compositor, guitarrista y maestro, fue uno de los principales fundadores de la Bossa Nova.

A musical genre that blends the sophistication of jazz with popular music. It was this fusion that inspired designer Mauricio Bomfim to create the Tom armchair. Its light curves are enhanced by a refined, sophisticated base.

The Óssea armchair draws inspiration from the whale's bone structure, not as a literal interpretation, but as an exploration of form, support, and design principles.

Its presence combines lightness and strength in a single piece, with lines that suggest connection, curvature, and continuity.

Su presencia combina ligereza y fuerza en una misma pieza, con líneas que sugieren unión, curvatura y continuidad.

El sillón Óssea nace de la observación de la estructura ósea de la ballena, no como una reproducción literal, sino como un principio de forma, soporte y diseño.

Armchair Setup
Armchair 36.6" - 1seat(30.3")

Inspired by the fluid movement of the Amazonian waters and the mysterious presence of the river dolphin, this armchair is conceived as a welcoming piece that evokes comfort and warmth.

Inspirado en la fluidez de las aguas amazónicas y en la presencia enigmática del boto, este sillón nace como una pieza que invita al acogimiento.

Its soft, rounded forms echo the natural movement of the river, while the organic design creates a harmonious balance between comfort and sculptural elegance. More than just a place to rest, the Boto armchair translates the silent strength of nature into design, transforming the space into an atmosphere of contemplation and connection.

Sus formas suaves y redondeadas evocan el movimiento natural del río, mientras que el diseño orgánico aporta equilibrio entre confort y presencia escultórica. El sillón Boto va más allá de un lugar de descanso: es una pieza que transforma la fuerza silenciosa de la naturaleza en diseño, creando ambientes de contemplación y convivencia.

The natural flow of water creates enchantment
and uniquely singular curves.

El flujo natural del agua provoca encanto y curvas esencialmente singulares.

This uniqueness turns the Jaiba armchair into a sensory experience. Like the comfort felt by an embrace and the feeling of being surrounded by some of nature's most perfect curves.

Esta singularidad convierte el sillón Jaiba en un encuentro de sensaciones. Como el confort que se siente al recibir un abrazo y la sensación de estar rodeado por algunas de las curvas más perfectas que la naturaleza ha creado.

The Baru armchair is the expression of strength and versatility.

Its inspiration comes from the Baru nut, with its rigid, rounded shell - designed to protect the fruit - that can be used in many different ways.

Its firm, meticulous design contrasts with the exceptional comfort of goose down in the seat and backrest. These features give the piece its distinctive character and refined sophistication.

Su diseño firme y preciso contrasta con el extraordinario confort de una pluma de ganso en el asiento y el respaldo. Dichas características aportan al mueble una personalidad única y una sofisticación refinada.

El sillón Baru expresa solidez y versatilidad en su forma.

Su inspiración proviene de la nuez de Baru, de cáscara rígida y abombada - diseñada para proteger el fruto - que puede ser utilizado en múltiples aplicaciones.

The Rolimã Chaise is rooted in childhood memories, evoking the comfort of a cherished place in remembrance.

Its forms evoke this toy (soapbox cart) widely enjoyed by children in the recent past.

Sus formas evocan ese juguete (carrito de rodillos), comúnmente apreciado en un pasado reciente.

La Chaise Rolimã pertenece a los recuerdos de la infancia, al confort de ese lugar de memoria.

ESPUMAS ANTICHAMA

AS ESPUMAS DE POLIURETANO UTILIZADAS PELA FEELING EM SUA LINHA DE PRODUTOS POSSUEM UM TRATAMENTO QUÍMICO QUE AS TORNA AUTOEXTINGUÍVEIS (ANTICHAMA), OU SEJA, AO SEREM EXPOSTAS AO FOGO TÊM A VELOCIDADE DE QUEIMA RETARDADA DE FORMA ELEVADA E, QUANDO A CHAMA É RETIRADA, O FOGO NA ESPUMA SE EXTINGUE. É IMPORTANTE RESSALTAR QUE OS TECIDOS, AS FIBRAS, AS PERCINTAS ELÁSTICAS, A ESTRUTURA DE MADEIRA E DEMAIS ITENS QUE FAZEM PARTE DA CONSTRUÇÃO DESTE PRODUTO NÃO POSSUEM ESTA CARACTERÍSTICA, DEVENDO-SE POR ISSO EVITAR SEMPRE A PROXIMIDADE DESTE SOFÁ COM CHAMAS ABERTAS, CIGARROS, ETC. DE QUALQUER FORMA, CASO OCORRA UM SINISTRO, A VELOCIDADE DE PROPAGAÇÃO DAS CHAMAS SERÁ DIMINUÍDA DE FORMA SENSÍVEL, O QUE FACILITARÁ A SUA EXTINÇÃO.

FLAME-RETARDANT FOAM

THE POLYURETHANE FOAMS USED BY FEELING IN ITS PRODUCT LINE UNDERGO A CHEMICAL TREATMENT THAT MAKES THEM SELF-EXTINGUISHING (FLAME-RETARDANT), MEANING THAT WHEN EXPOSED TO FIRE THEY EXHIBIT SIGNIFICANTLY SLOWED BURNING SPEED AND, ONCE THE FLAME SOURCE IS REMOVED, THE FIRE IN THE FOAM SELF-EXTINGUISHES. IT IS IMPORTANT TO POINT OUT THAT FABRICS, FIBERS, ELASTIC BELTINGS, WOOD STRUCTURES, AND OTHER COMPONENTS THAT ARE PART OF THIS PRODUCT DO NOT HAVE THIS FEATURE. THEREFORE, THE PRODUCTS SHOULD ALWAYS BE KEPT AWAY FROM OPEN FLAMES, CIGARETTES, ETC. HOWEVER, IN THE EVENT OF AN INCIDENT, FLAME SPREAD WILL BE SIGNIFICANTLY REDUCED, MAKING IT EASIER TO EXTINGUISH THE FIRE.

ESPUMAS ANTILLAMA

LAS ESPUMAS DE POLIURETANO UTILIZADAS POR FEELING EN SU LÍNEA DE PRODUCTOS CUENTAN CON UN TRATAMIENTO QUÍMICO QUE LAS HACE AUTOEXTINGUIBLES (ANTILLAMA). ES DECIR, AL SER EXPUESTAS AL FUEGO, PRESENTAN UNA VELOCIDAD DE QUEMA ALTAMENTE RETARDADA Y, CUANDO SE RETIRA LA LLAMA, EL FUEGO EN LA ESPUMA SE EXTINGUE. ES IMPORTANTE DESTACAR QUE LAS TELAS, LAS FIBRAS, LOS CINTURONES ELÁSTICOS, LAS ESTRUCTURAS DE MADERA Y DEMÁS ELEMENTOS QUE FORMAN PARTE DE LA CONSTRUCCIÓN DE ESTE PRODUCTO NO TIENEN ESTA CARACTERÍSTICA, POR LO QUE SE DEBE EVITAR SIEMPRE LA PROXIMIDAD DE ESTOS PRODUCTOS A LLAMAS ABIERTAS, CIGARRILLOS, ETC. DE CUALQUIER FORMA, EN CASO DE SINISTRO, LA VELOCIDAD DE PROPAGACIÓN DE LAS LLAMAS SE VERÁ NOTABLEMENTE REDUCIDA, LO QUE FACILITARÁ SU EXTINCIÓN.

Important note: Parts of the upholstery manufacturing process are handcrafted; therefore, small variations of up to 0.79", more or less, may occur in the dimensions presented in this catalog.

Nota importante: Partes del proceso de fabricación de los tapizados son artesanales, por lo que pueden ocurrir pequeñas variaciones de hasta 2 cm más o menos en las dimensiones presentadas en este catálogo.
